BBC

"We give thanks for new people joining us for our services and community groups, and pray that we would continue to be a light shining bright in our community.

We pray for Christians across the world who are living out their faith in dangerous circumstances, and for those working for peace in complex situations."

ST MARY'S

Give thanks that more families came to the family service last week and pray that the harvest festival lunch and activities next Sunday will encourage more families to come to church.

Pray that the visit of Zethu, the leader of Phakamisa Charity in Pinetown, South Africa to St Mary's on Sunday will encourage more people to support this charity and its work amongst the poor and disadvantaged families near Durban.

We pray for new families who have moved into houses on the Valley Road estate.

ST PETER'S

As we give thanks for the good work done by The Open Door, we pray for all those who will be affected by its closure.

KINGS ROAD CHURCH

"Give thanks for God's wonderful blessing during August at the Big Red Bus socials and in our services at the pond.

Pray for:

Dacorum Borough Council to approve our building plans;

More workers for our children's and youth ministries;

God's blessing on the 8 week Emotionally Healthy Relationships course starting in October;

The new Book Club to encourage a better understanding of what God is doing in our world today.

God to bind up the broken hearted through the new series of DivorceCare that has just got underway.

For us to please our Lord in every way and to bear fruit in every good work."

NBC

"Thanks for all who are praying for us this next few days...

Please pray for our Alpha course starting this week, and that the good take up leads to new Christians and deepening faith in Jesus Christ. Also as we follow on from our successful away day, we are able to hear what God is saying to us, and how we proceed forward in worshipping Jesus and making disciples.

Finally, we were able to take a good group of young people away in the summer, please pray as we help them to find those next steps in faith, enabling us to continue to create disciples, and a group which is disciple making in the context of those young people.

Pray for our students as they head back to College and University, that they will continue to blaze a trail for Jesus."

SACRED HEART

"Pray for our school and all the staff and students as they start the new term.

Pray also for the success of the new youth initiative as we begin the new school year."

ALL SAINTS
